The

Universe

AAA/AMC/ADB

Life is not at all as complicated as the world makes it for everyone; when you break down the basics of necessity to make any relationship work its not that difficult at all. All you have to do is love yourself first,be accountable and responsible for your own well being making no excuses for what you don't have,(if you're still alive)that is qualify yourself to be yourself by securing food, shelter, and a way to make a living. There really is no excuse for being without these days its just a matter of getting and being informed.

The Three Keys To The Universe are:

INFORMATION :

Learn and

Know who you are in the known Universe

Know where You are in the known Universe

Know People, Places, and all Things

COMMUNICATION:

Learn all or as many languages as you can (Linguistic as well as scientific,financial, social and spiritual)

Learn to speak them well

speak positivity and encouragement

Let the world know your story

know the world's story (people-places-things)(Actual Facts)

TRANSPORTATION:

Finance Your Own Ticket To Everywhere (mental vehicle,physical vehicles,spiritual vehicles)

as soon as you learn to drive in all the above lanes

or fly in the above flight patterns that will help you and yours fulfill their destiny

This is reality but most want the fantasy and illusion they see on the TV and movie screens... if you can see past the fairy tales and all the Hollywood magic you will be free to exist and live happy and comfortable *within* your means; with a loving husband or wife.

These are The Keys...open the door to your future and be Happy!
